S. Comments:Weakened from the 300m. Inquiry re performance. Rider indicated that the horse travelled well until leaving the 400m, then raced greenly and not responding over the final 300m. She added on return to scale the stablehand handling the horse indicated the filly appeared to have its tongue over the bit and this may have caused the poor performance. Trainer M. Mair indicated that the distance of today's event may not have been suitable for the filly at this stage of its preparation, adding he may trial the horse before its next race start. Vetted with no abnormalities reported.

S. Comments:When questioned regarding the apparent improved performance of the filly, trainer explained that BONNIE BON BON resents racing in restricted room and this contributed to today's improved performance in that the filly was able to settle in a rearward position and was able to obtain clear running on the extreme outside of the field.

S. Comments:Raced ungenerously throughout after getting its tongue over the bit in running. Trainer advised Stewards that the filly would race in a tongue tie at future starts. Nonetheless trainer was advised that a warning would be placed on the filly and should it perform similarly at its next start it would be required to trial to the satisfaction of Stewards. A post-race veterinary examination of the filly failed to reveal any abnormalities. Trainer has since reported to Stewards that the filly has been working well in a tongue control bit.

He added that he travelled wide in the middle stages as he believed the inside going was inferior. He further stated he did not ride the gelding along in the downhill section of the track as he felt it would become unbalanced in the going and for this reason he allowed it to straighten and balance up before placing it under pressure and finishing strongly. S. Comments:When questioned regarding tactics in the early and middle stages, Jockey said her instructions were to lead and after beginning well was able to take up a prominent position, however when another runner improved to her outside her mount commenced to overrace and she elected to remain racing to the inside and in the lead, however passing the 600 metres the gelding commenced to weaken. Trainer confirmed the instructions and added that in his opinion the gelding does not handle the Cairns track. A post race veterinary examination revealed the gelding to be displaing a poor recovery rate.

Apprentice explained he had been instructed to ride gelding in a forward position. He said after beginning well he rode his mount along in an attempt to comply with his instructions. Added that in the middle stages he was able to work forward of the other runner however was unable to cross when he received calls appealing for racing room. Apprentice concurred with stewards that he should have made a greater effort to cross the runner to his inside which would have enabled him to dictate terms in front and not cover excessive ground.	54 Nor Yadi	(2) 54 (51) R50	\$7,000 \$1,400 \$10
