S. Comments:When questioned as to the tactics adopted, Jockey T Treichel stated the intention was to position the mare with cover just off the speed, however, after beginning well and being caught wide early, he allowed his mount to stride forward and assume a position in the lead. Stewards noted his explanation. Trainer D Pearson advised that TWILIGHT HUNTER sustained lacerations to its hind bumpers.

Browne stated he was obliged to take up a trailing position at the tail of the field and after travelling well throughout, shifted wider upon entering the home straight and felt it let down strongly, but weakened from the 200m and proved disappointing. Stable representative indicated the horse may not have handled the week back up from its last start, and the step up to 1800m for the first time. She said the stable would monitor the horse's condition and advise stewards of any apparent abnormality.

Trainer D. D. Bell agreed with jockey Fradd's comments and indicated he would more than likely remove the blinkers for its next race start.

He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. Hall explained that at the horse's first start this preparation, it started over 1000m, which is unsuitable, and raced wide. He added that at the horse's most recent start the horse commenced to overrace and shifted wider and was caught significantly wide throughout the race and he was not disappointed with the overall performance. He added that he expected a forward showing today given the horse's work.

Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was unable to restrain, despite his efforts, to obtain cover during middle stages. refer full report.
