S. Comments:When questioned as to the tactics adopted, Jockey N Masuda stated he was instructed to position the gelding where it was comfortable. He noted that the gelding was having its first start for the stable and in a trial leading into today's race he had travelled in a forward position. Jockey Masuda added that after beginning fairly today he rode the gelding forward so as not to be caught wide which resulted in him settling outside the leader.

S. Comments:Rider reported that he placed the horse under pressure after beginning well in an attempt to take up a forward position, however the colt was unable to muster the necessary speed which resulted in him racing further back than anticipated. He added that leaving the 600m he attempted to improve to the outside of other runners but was forced to make the home turn extremely wide.

S. Comments:Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. Questioned re improved performance - trainer stated that not dissapointed with run 2 starts ago where forced to race wide but still finished race off well. Unable to explain dissapointing performance last start as endoscopic and vet examination after race failed to reveal any abnormalities. Addition of tongue tie today may have explained improvement as mare had worked well with the tongue tie leading into today's event.

He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. S. Comments:Questioned re tactics: rider stated he was instructed to obtain position with cover. Gelding over-raced early stages so allowed to stride forward to sit outside leader near 1400m. Attempted to restrain to sit off leader in middle stages but that horse continued to race to his inside resulting in his horse over-racing in the middle stages which prevented him from restraining it any further. Stewards advised him that he should have made a greater effort to restrian the gelding in the middles stages so as to sit off the leader and give his mount every oppurtunity of finishing off the race.
