S. Comments:Raced ungenerously whilst being restrained leaving the 900m. When questioned regarding the disappointing performance, jockey M. Powell advised that after beginning well the horse obtained its customary leading position, however he added that when pressured during the middle stages of the event by another runner, his mount commenced to overrace and, in his opinion, failed to run out a high pressure 1200 metre event tonight. Stewards noted the explanation.

She added she was obliged to race further back than anticipated after receiving pressure from another runner at the start. She added that she rode the horse forward from the 500m and was obliged to alter course back to the inside in order to secure clear running near the 200m, and that approaching the 100m was obliged to steady when placed in restricted room by another runner. She indicated that the horse finished the race off well and would appreciate a step up in distance.

Apprentice Schmidt stated that with the addition of blinkers today on the horse, she was instructed to take up a forward position. She added that the gelding travelled strongly in the early stages and as a result she allowed it to stride forward and settle outside the leader.

Fawke indicated that he had been instructed to ride in a forward position with cover if possible, however when caught wide passing the 1600m he elected to allow the mare to assume the lead and felt that the horse set a steady tempo throughout the race and in his view was disappointing when asked for an effort in the home straight. A post-race veterinary examination revealed no abnormalities. Connections indicated that the horse may be sent for a spell.
