Day as to whether when passing the 600m he had opportunity to improve outside the eventual winner BECKHAM in an attempt to hold that horse in a position on the fence. He indicated he had attempted to do so however the opportunity was open to him only for a short period and when he attempted to improve shortly after, BECKHAM shifted to a position 4 wide, and he therefore elected to steady and shift back to the inside in an attempt to improve into the race. After viewing the patrol footage, stewards accepted the explanation tendered.

Schmidt indicated she had been asked to ride the horse quietly as it was having its first start back from a spell.She added she was obliged to race further back than anticipated after receiving pressure from another runner at the start.She added that she rode the horse forward from the 500m and was obliged to alter course back to the inside in order to secure clear running near the 200m, and that approaching the 100m was obliged to steady when placed in restricted room by another runner. She indicated that,the horse finished the race off well and would appreciate a step up in distance.

S. Comments:Bumped at the start. Stewards questioned apprentice C. Schmidt regarding the tactics adopted today whereby the horse led, which was in contrast to its last start where it settled back in the field. Apprentice Schmidt stated that with the addition of blinkers today on the horse, she was instructed to take up a forward position. She added that the gelding travelled strongly in the early stages and as a result she allowed it to stride forward and settle outside the leader.
