S. Comments:Rider said no specific instructions were given and she intended to position in the second half of the field, however after it began well from a wide alley she elected to press forward to assume a position closer to the fence. Trainer supported supported these comments and gave an undertaking to inform stewards should the horse be ridden back in the field next start. The explanation was accepted.

Comments:Questioned re: performance - rider instructed to lead and after beginning slowly he rode the gelding vigorously to obtain a forward position has he did not believe it was in the gelding's best interests to restrain and settle at the rear of the field. When runner forward of him commenced to weaken had to steady from its heels and shift wider to improve into the event. Considering the tough run the gelding had he was not dissapointed with its performance.
