S. Comments:Steadied when inconvenienced slightly near the 1000m, then overraced for some distance. Inquiry re early tactics. He said from the wide draw, and speed inside, he restrained, trying to cross and find a midfield rail position. He said at the start it was reluctant to stretch out early and got further back than anticipated, and in the back straight began to travel strongly and overraced but then travelled nicely thereafter, and in the straight despite having an uninterrupted run, it only finished off fairly, adding he would recommend it be stepped up in distance.

S. Comments:Questioned re: performance - rider stated gelding travelled well throughout however when placed under pressure upon straightening, weakened noticeably. Stated horse made an abnormal breathing noise which she felt contributed to the disappointing performance. Stable rep agreed with rider's comments and undertook to report back to stewards at a later date. Post race vet revealed a poor post race recovery rate.

S. Comments:When questioned re performance jockey T. Harrison was unable to offer any tangible explanation and expressed her disappointment in the gelding's performance. Trainer R. Heathcote also expressed his disappointment and undertook to obtain both a veterinary and endoscopic examination, the results of which he would provide to stewards. Endoscopic examination found the horse to be suffering from a respiratory virus and the horse has subsequently responded well to a course of antibiotics.

S. Comments:Jockey M. Cahill reported his mount never travelled well throughout the event and proved most disappointing. The stable representative advised that the gelding may not have appreciated the firm track conditions. A post race veterinary examination failed to reveal any significant abnormalities.
