S. Comments:Questioned re: performance - rider state intention to obtain forward position however, shortly after start when it was apparent there would be a strong tempo she elected to settle just worse than midfield. Horse then travelled comfortably in early and middle stages but responded only fairly when urged along leaving 800m and was one paced in the run to the line. In rider's opinion filly failed to run out the distance under the top weight of 59kg. Post race vet failed to reveal any abnormalities.

S. Comments:When questioned regarding the horse's improved performance, trainer R. Drysdale stated that he has not been disappointed with the horse's two previous runs, where at Ipswich on 14 August the horse raced well and was only beaten 5 lengths in good time, and then at its most recent start at Warwick on 21 August the horse lost considerable ground at the start, which was a telling factor on its performance, and therefore he was not surprised with a forward showing today. Stewards noted his explanation.
