He stated that after beginning awkwardly he settled further back than he had anticipated. He added that he was mindful of the gelding's racing pattern, which is to race up on the speed, and at a point near the 900m he elected to shift wider on the track and stride forward to take up a position outside the leader. Jockey Geran further stated that he was disappointed with the gelding's finishing effort.

He said from that point the horse proved one-paced and failed to sprint as he expected and ran on only fairly in the straight. He added that bearing in mind the manner in which the horse finished the race off, in his opinion it may have been a better option maintaining the leading position rather than allowing his mount to be crossed.
