S. Comments:When questioned regarding the horse's seemingly improved performance, trainer C. Munce advised that the gelding has been showing more ability in track work than it has in its race performances. He said that last start it travelled well in the run on the speed but failed to finish the race off over the concluding stages. Therefore, he elected to remove the blinkers for today's event. He added that the horse was having its third run back from a spell in the appropriate grade today and he was hopeful that the horse would race much better and he was not entirely surprised by its win.

Questioned tactics adopted - stated after gelding commenced to overrace approaching 1500m forced to shift out racing wide rounding first turn then continued to overrace fiercely and reluctant to settle when restrained. Stated mindful of instructions not to be in a leading position and attempted to restrain to obtain position with cover however when runners to inside improved to inside unable to obtain cover and remained 3 wide.
