S. Comments: When questioned regarding the improved performance of the gelding from its most recent start, Trainer B. Currie advised that the horse was not suited to the firm track conditions at Warwick at its last start. He added that the horse, which is a Class 2 runner, was beaten by an established open class horse, and for that reason he was not entirely disappointed with that performance. Mr Currie also advised that, prior to its most recent start, the gelding's form was sound and he therefore expected a forward showing in tonight's event.

S. Comments:Over-raced during the early stages and as a consequence raced wide throughout. When questioned as to the seemingly improved performance, stable representative H Julius noted that the gelding had been caught wide when first up at its last start and that a tongue tie had been applied today which she believes contributed to the improved performance.
