| S. Comments:Jockey J. Stanley reported that his mount was inclined to hang in in the early stages, however travelled strongly in the middles stages. He added that from the 500m, when asked to improve into the race, the gelding failed to quicken as he had anticipated and in the home straight felt very awkward in its action, and he therefore eased the horse down over the concluding stages. A post-race veterinary examination revealed no apparent abnormalities. In light of jockey Stanley's comments, Stewards will follow-up with Trainer D. Hansen in the following days regarding the horse's post-race recovery. |                     |            |                                    |

S. Comments:When questioned regarding the horse's seemingly improved performance, trainer J. Anderson advised that although the gelding raced greenly and was forced wider on the home turn at its previous start at Ipswich, she was not disappointed with its performance on that occasion. She added that since then the horse had pleased her in its work leading up to this event and she had expected a forward showing. She further added that in her opinion the horse performs better on tracks other than Toowoomba and indicated that the gelding would now be sent for a spell.
