S. Comments: Jumped the crossing at the 1400m. When questioned by Stewards regarding the improved performance, Trainer Mr. J. Gregory advised that, in his opinion, the gelding was not suited to the slow track conditions at its most recent start. He added that, in his opinion, whilst still being a maiden, this race was much weaker than the gelding's most recent start, and for this reason he had expected a forward showing today. Stewards noted the explanation.

S. Comments: When questioned regading the poor performance of the gelding rider explained that the horse performs best when able to dictate terms in front. He said that after a runner improved quickly to his inside, his mount was then inclined to lay out, rounding the home turn ran wide, and weakened noticeably over the concluding stages. A post-race veterinary examination did not reveal any abnormalities. Trainer was told that the horse must perform satisfactory in a trial prior to being permitted to race again.
