S. Comments:Raced three wide without cover throughout. L. Tilley reported that his mount never travelled comfortable throughout and, although it raced three wide, weakened in the home straight and in his view has come to the end of its current preparation. The veterinary surgeon reported that the filly was severely heat stressed after the race.

S. Comments: When afforded the opportunity to comment on the performance, jockey J. Lloyd could offer no tangible explanation for the disappointing performance other than the mare may not have appreciated the step up in distance. A post race veterinary examination revealed a slow post-race recover.

Comments: When asked to comment on the disappointing performance, jockey Fancourt indicated that the horse raced quite greenly throughout the event, shifting both in and out when racing outside the lead. She was of the view that the disappointing performance could be attributed to the horse having its first start on a very rain affected track as the horse did not travel comfortably when asked for an effort after leaving the 600m. S. Comments: A post race veterinary examination of the horse, which raced in a handy position and weakened over the final stages and proved disappointing, failed to reveal any significant abnormalities. When questioned regarding the performance of the filly, rider T. Harrison explained that from the wide barrier today she had to apply a little more pressure in the early stages to obtain the lead than she would have liked, and during the race was slightly pressured by a runner to her outside. She further added that at its last start the filly obtained a soft lead on a tighter track without being pressured

S. Comments: Jumped awkwardly and lost ground. Steadied near the 700m when obliged to race in restricted room and then overraced and was steadied near the 600m. Checked when tightened for room leaving the 50m. Stewards inquired into the circumstances of this incident and established that MORION, which was racing to the outside of TAKES TIME, had laid in under pressure in the home straight, causing its rider to stop riding and straighten near the 150m and again, despite the efforts of its rider, over the final 50m. Stewards were not satisfied that any rider was at fault in this incident.
