S. Comments:Carried a one and a half kilogram penalty following its win at Cloncuury on Saturday 1st November 2014. Stewards interviewed rider as to the disappointing performance, jockey stated the gelding had been slow to begin and was reluctant to race. He was unable to give any explanation for the disappointing performance, however added very hot weather and gelding did not back up. A post-race vet examination revealed that although the gelding was not lame, it did have injury to off front hoof. Trainer advised that a vet certificate of fitness is required before permitted to start again.

S. Comments:Was retired from the race at the 800 metres by the rider. A post - race Veterinary examination did not reveal any abnormalities. Jockey on being interviewed stated that soon after start the gelding attempted to buck and took no further competitive part in the event. Trainer advised that he had adjusted the saddle in the mounting yard and believes that was the cause of the gelding's race behaviour. Trainer was advised that the gelding must complete a trial in the presence of Stewards before again being permitted to start again.

S. Comments:When questioned as to the disappointing performance, jockey advised that she was able to obtain a good position on the rail just behind the pace where the gelding travelled comfortably throughout the event. She further advised that near the 400m she attempted to improve into a run to the inside of another runner, however gelding was reluctant to improve into this run and from that point travelled only fairly for the remainder of the event. Jockey added that in her opinion gelding may be better suited racing on firmer tracks than that of tonight.
