He indicated that the horse blundered on a number of occasions rounding the home turn and then did not respond to his riding in the home straight. Trainer indicated that in the lead up to today's event the horse had accepted for a number of venues which had been abandoned and this, in his opinion, was not a suitable lead up to today's event and may have had a bearing on the performance.

S. Comments:Became unbalanced and lost ground when tightened near 600m.Steadiest when tightened near the 250m when tiring.D. Browne reported, the performance was disappointing.After being ridden aggressively early to take up a forward position, that after receiving interference near the 600m his mount did not respond to his riding in the home straight and weakened. He felt, the horse may have come to the end of its preparation, and also having stepped back in distance today, this may have affected the horse's performance. Trainer S. Mackinnon indicated the horse would now be sent for a spell.

S. Comments:When asked to comment on the horse's disappointing performance, D. Browne stated that near the 600m the horse blundered and when rounding the home turn he attempted to shift wider on the track to improve and made significant contact with another runner. He felt that following this the horse did not respond to his riding and despite being marginally held up leaving the 400m, did not finish the race off well. Trainer S Mackinnon reported that the gelding would be sent for a breif spell.

S. Comments:Bumped on jumping. Questioned re the apparent improved performance. Trainer stated that she has always had an opinion of the gelding however it became evident last preparation that it need time to mature physically and consequently it was sent for a spell. Ms Brosnan stated that the gelding has pleased in its work this preparation and had recently trialled strongly over a 1000m journey. Ms Brosnan added that in her opinion the gelding was aided by being able to settle at the rear of the field behind a strong tempo in the early and middle stages and the heavy track conditions.
