Wilson stated he felt the mare was not suited by having to work hard in the early stages and he also noted that it had previously not performed well on rain affected tracks. He undertook to report to stewards any abnormality that comes to light which may have affected the performance. A post race veterinary examination failed to reveal any significant abnormalities.

S. Comments:When questioned re shifting from a position two wide with cover to three wide without cover at the 600m rider stated that his mount was travelling strongly at that point and he did not want to get caught on the back of Rockabye Angel, which he felt was not travelling strongly, C. Small added that passing the 500m his mount was under pressure to maintain its position and it was very disappointing. A post race vet exam of the gelding did not reveal any abnormality. Trainer advised that she felt the gelding had reached the end of its preparation and it would be spelled immediately.
