Lakey that BROCSOON be declared a non-runner due to that horse's barrier gates not opening at the same time as the rest of the field's gates had opened. After viewing the patrol footage, stewards were of the opinion that as the horse's barrier gates had only been marginally slow to open and that this had not materially affected the horse's chances, it would be declared a runner.

Comments:When questioned regarding the horse's seemingly improved performance, trainer Ms J. Comments:Caught wide in the early stages, allowed to stride forward by its rider to a position closer to the rails near the 1200m. Had a tendency to race keenly from the 1200m to nearing the 1000m. Apprentice E. Ljung advised that after beginning awkwardly and being caught wide in the early stages, her mount eventually settled near the 1000m and obtained a comfortable run for the remainder of the event, however when placed under pressure failed to respond to her riding and in her opinion proved disappointing.
