S. Comments:On return to scale Jockey lodged an objection against the winner alleging interference near the 800 metres. After taking into account their submissions and after viewing the films Stewards established that after mare was slightly slow to begin Jockey rode his mount along and after being crossed near the 800 metres it commenced to overrace and hung out badly from that point. When Stewards were comfortably satisfied that winner was clear to cross runners to its inside and that mare hung badly as result of its own racing manners, Stewards dismissed the objection.

Currie advised that the filly had been working well in preparation for tonight's event, and other than the fact that the filly may have come to the end of its preparation, and that the horse was stepping up in distance from 1000M to 1300M, he could offer no other explanation for the horse's disappointing performance tonight. Trainer B. Currie added that he now intends to send the filly for a spell. A post-race veterinary examination revealed no abnormalities. A swab sample
