S. Comments:When questioned regarding the poor performance apprentice explained that his mount travelled comfortable in a prominent position throughout however when placed under pressure in the straight his mount failed to respond and was disappointing. He attributed the poor performance to the gelding's heavy impost of 60kg and added that in his opinion gelding did not appreciate the hard track conditions. A post race veterinary examination of the gelding did not reveal any significant abnormalities.

S. Comments:Stewards considered an objection lodged by second placegetter against gelding alleging interference in the home straight. After taking evidence from all parties and viewing the available footage it was established that near the 200m gelding shifted in and bumped second placegetter however bearing in mind the minor nature of the interference and the manner in which both horses ran to the finish stewards could not be comfortably satisfied that had the interference not occurred second placegetter would have beaten gelding and subsequently dismissed the objection.
