Stated that he was instructed to take up a forward position from his wide barrier and after being tardy to begin rode his mount vigorously in the early stages to comply with instructions. Stated that after obtaining the lead his mount raced greenly and in the home straight was inclined to lay out. Rider concurred with the stewards that he erred by not desisting from using his whip, and stopped riding and straightened, sooner than he had on this occasion

S. Comments:When questioned apprentice stated that approaching the crossing near the 700m his mount blundered resulting in him becoming unbalanced and the saddle shifting to the near side which placed him at a disadvantage. Shortly after this he said his mount then commenced to hang out and was awkwardly placed on heels rounding the home turn and had to be steadied. He added that after becoming awkward on heels and whilst being unbalanced in the saddle he lost use of his irons which placed him at distinct disadvantage for the remainder of the race.

S. Comments:When questioned regarding the poor performance apprentice explained that his mount travelled comfortable in a prominent position throughout however when placed under pressure in the straight his mount failed to respond and was disappointing. He attributed the poor performance to the gelding's heavy impost of 60kg and added that in his opinion gelding did not appreciate the hard track conditions. A post race veterinary examination of the gelding did not reveal any significant abnormalities.

S. Comments:A post-race veterinary examination of the mare, which was slow to begin and failed to stretch out, despite the efforts of its rider, did not reveal any abnormalities. Trainer was at a loss to explain the poor performance other than to say that the girth may have pinched the mare and prevented it from stretching out. She undertook to report to stewards if anything was amiss with the mare in the days following the race.

Rider explained that gelding began well, however shortly after start placed under pressure to obtain forward position, commenced to over-race and did not race comfortably and failed to make up ground in straight. Peaked on run near 200m. Post-race vet exam: small laceration to off hind and had lost off hind plate.
