S. Comments:When asked about the performance of the gelding Jockey A. Coome was of the opinion that it failed to run out a strong 1800 metres, however had travelled well until near the 400 metres then failed to run on and may have come to the end of its preparation. A post-race veterinary examination revealed that the gelding was showing a poor post-race recovery rate. Trainer G. Farrell informed stewards that the horse will now be spelled and he will confine its races to distances up to 1600 metres.

Comments:Stewards considered an objection lodged by jockey against second placegetter, alleging interference in the early part of the home straight. After taking evidence from the parties concerned, viewing official video films and taking into account their own observations it was established that shortly after straightening mare established a run to the inside of second placegetter, which then shifted in abruptly and hampered mare. Bearing in mind the margin of a short half head and the manner in which both horses ran to the finish, stewards upheld the objection and amended the placings.	54 Peter Cullen	(4) 55.5 R57	\$13,000 \$2,600 \$5 \$5

After beginning awkwardly filly raced greenly in early stages, and was inclined to lay out throughout, therefore he was reluctant to ride her out rounding home turn and in early part of straight and he elected to ensure the filly was balanced before placing it under full pressure. When he did, she raced greenly and shifted in near 200m resulting in him dropping whip. He then rode filly hands and heels and it ran on strongly.

S. Comments:Raced keenly from the 900m to 600m. When questioned re performance, appr Ljung stated that after being caught wide she had no option but to ride her mount forward to a position outside the leader. She added that despite her efforts the mare raced keenly and she felt that having to pressure her mount so early in the race and also the racing manners of the horse contributed to the disappointing performance. Postrace vet exam failed to reveal any abnormalities. Trainer reported to stewards in the subsequent days following that the mare had pulled up well and will continue with its current prep.

S. Comments:Questioned as to performance - rider stated instructed to lead however when another runner improved forward of him he was concerned with the tempo so elected to ease to take a sit off the leader. Mare was then under pressure leaving the 600m and in his view was disappointing. He felt that the mare was not entireley comfortable in the rain effected conditions. Trainer agreed that mare did not handle the wet conditions.
