After taking evidence from all parties and viewing the available footage it was established that near the 200m gelding shifted in and bumped second placegetter however bearing in mind the minor nature of the interference and the manner in which both horses ran to the finish stewards could not be comfortably satisfied that had the interference not occurred second placegetter would have beaten gelding and subsequently dismissed the objection.

S. Comments:When asked about the performance of the gelding Jockey A. Coome was of the opinion that it failed to run out a strong 1800 metres, however had travelled well until near the 400 metres then failed to run on and may have come to the end of its preparation. A post-race veterinary examination revealed that the gelding was showing a poor post-race recovery rate. Trainer G. Farrell informed stewards that the horse will now be spelled and he will confine its races to distances up to 1600 metres.

He added that today the mare benefited from the addition of winkers and concussion plates.

S. Comments:Stewards considered an objection lodged by jockey against second placegetter, alleging interference in the early part of the home straight. After taking evidence from the parties concerned, viewing official video films and taking into account their own observations it was established that shortly after straightening mare established a run to the inside of second placegetter, which then shifted in abruptly and hampered mare. Bearing in mind the margin of a short half head and the manner in which both horses ran to the finish, stewards upheld the objection and amended the placings.
