S. Comments:When questioned regarding the apparent improved performance of the filly, trainer explained that BONNIE BON BON resents racing in restricted room and this contributed to today's improved performance in that the filly was able to settle in a rearward position and was able to obtain clear running on the extreme outside of the field.

S. Comments:Raced ungenerously throughout after getting its tongue over the bit in running. Trainer advised Stewards that the filly would race in a tongue tie at future starts. Nonetheless trainer was advised that a warning would be placed on the filly and should it perform similarly at its next start it would be required to trial to the satisfaction of Stewards. A post-race veterinary examination of the filly failed to reveal any abnormalities. Trainer has since reported to Stewards that the filly has been working well in a tongue control bit.

S. Comments:Passing the 1200 metres improved onto heels and had to be steadied. When questioned regarding his riding approaching the 600 metres, as to whether there was an opportunity to improve earlier than he did, Jockey said that, bearing in mind that the gelding was first-up since January, rather than attempt to sustain a long wide run, he elected to remain racing on the back of another runner, however when that runner did not quicken as expected, he was obliged to shift out rounding the home turn, where the gelding ran home strongly. His explanation was noted.

S. Comments:When questioned as to why he did not improve his position near the 600 metres, Jockey said his instructions were to not bustle the gelding early

and that after beginning well he was able to obtain a position where his mount travelled comfortably, however he was mindful not to ride the gelding along

from too far out, as he believed that it has only one finishing effort. Trainer confirmed the instructions.A post-race veterinary examination revealed the

gelding was sore in front. Trainer was told a veterinary clearance would be required prior to next start.

S. Comments:Questioned as to performance - rider stated instructed to lead however when another runner improved forward of him he was concerned with the tempo so elected to ease to take a sit off the leader. Mare was then under pressure leaving the 600m and in his view was disappointing. He felt that the mare was not entirely comfortable in the rain effected conditions. Trainer agreed that mare did not handle the wet conditions.
