S. Comments:Stewards questioned jockey in regard to the tactics adopted and the performance of the filly. Jockey stated that he had not been given any specific instructions, however the filly was agitated whilst parading behind the barriers, and when the start was effected filly began very awkwardly, became unbalanced and lost considerable ground. Jockey said that in the early stages he was obliged to race towards the rear of the field. He added that he was not entirely disappointed with the horse's performance. Stewards noted the explanation.

S. Comments:When questioned in relation to riding tactics Jockey advised that after being fractious in the barriers and slowly away he allowed his mount to settle in a rearward position. He added that he travelled wide in the middle stages as he believed the inside going was inferior. He further stated he did not ride the gelding along in the downhill section of the track as he felt it would become unbalanced in the going and for this reason he allowed it to straighten and balance up before placing it under pressure and finishing strongly. The matter was adjourned to a later date.

S. Comments: When questioned as to why he did not improve his position near the 600 metres, Jockey said his instructions were to not bustle the gelding early and that after beginning well he was able to obtain a position where his mount travelled comfortably, however he was mindful not to ride the gelding along from too far out, as he believed that it has only one finishing effort. Trainer confirmed the instructions. A post-race veterinary examination revealed the gelding was sore in front. Trainer was told a veterinary clearance would be required prior to next start.

S. Comments: Questioned as to performance - rider stated instructed to lead however when another runner improved forward of him he was concerned with the tempo so elected to ease to take a sit off the leader. Mare was then under pressure leaving the 600m and in his view was disappointing. He felt that the mare was not entirely comfortable in the rain effected conditions. Trainer agreed that mare did not handle the wet conditions.
