S. Comments:Began awkwardly. When questioned regarding the seemingly improved performance, trainer C. Thompson explained that following its run on 20th September he had a blood analysis carried out, which revealed that the mare was recovering from a virus and had been treated. At the mare's subsequent start, at Rockhampton on 26th October, the mare finished the race off well. Mr Thompson was of the opinion that the step up in distance contributed to the improved performance today. Mr Thompson was reprimanded under AR. 140B for failing to report a condition that may have affected the horse's performance.
