S. Comments:Stewards interviewed jockey as to the improved performance compared to last start at this track when finishing last. Jockey advised stewards that at it's previous start the gelding had been fractious in barriers, blundered badly on jumping lost many lengths had raced wide throughout. Jockey added that in today's event, although fractious in the barriers the gelding jumped well and raced wide and performed well. Stewards accepted the explanation. Jockey returned in excess of half a kilogram of the weight he weighed at. Jockey was reprimanded under AR145.

S. Comments:When no other rider was available stewards permitted jockey to ride the mare 4.5kg over its declared weight. When questioned regarding the poor performance jockey explained that the mare has a tendency to mix its form. He said that after beginning only fairly the mare raced in a rearward position where it resented the kickback and tailed off. He added that in his opinion the mare was stepping up sharply in grade and may not have handled the extra weight. Trainer concurred with the views of jockey. A post race veterinary examination did not reveal any obvious abnormalities.

Mr Hansen undertook to notify stewards of anything that comes to light in coming days which may have had an effect on the performance. Stewards interviewed rider as to the disappointing performance, jockey stated the gelding had been slow to begin and was reluctant to race. He was unable to give any explanation for the disappointing performance, however added very hot weather and gelding did not back up. A post-race vet examination revealed that although the gelding was not lame, it did have injury to off front hoof.
