Jockey explained that he intended to obtain a forward position however when runners to his outside showed superior speed and crossed he felt that the gelding was never a winning chance from that point and was disappointing. A post-race veterinary examination revealed the gelding to be lame in the near foreleg and to be displaying soreness in its neck. Trainer was advised that prior to racing again he would be required to furnish a veterinary certificate of fitness.

S. Comments:Slow into stride. When questioned regarding the disappointing performance, rider K. Wharton explained that after beginning slowly the gelding never travelled at any stage of the event today and in his opinion was very disappointing. Trainer D. Hansen agreed with the rider's assessment and advised that he may consider starting the horse over a longer distance. Mr Hansen undertook to notify stewards of anything that comes to light in coming days which may have had an effect on the performance. A post-race veterinary examination revealed no abnormalities and a swab sample was taken.

On the evidence and after viewing the official patrol films Stewards established that near the 400m the gelding shifted out and inconvenienced second placegetter however bearing in mind the minor nature of interference and the manner in which both horses ran to the finish Stewards could not be comfortably satisfied that had the interference not occurred second place getter would have beaten the gelding therefore the objection was dismissed.

when placed under pressure did not respond to his riding and was disappointing in the manner in which it finished off the race. A post-race veterinary examination did not reveal any abnormality.

He said that after beginning only fairly the mare raced in a rearward position where it resented the kickback and tailed off. He added that in his opinion the mare was stepping up sharply in grade and may not have handled the extra weight. Trainer concurred with the views of jockey. S. Comments:Following the declaration of correct weight an application to have gelding declared a non-runner after being denied a fair start was made by connections. Stewards ruled that although gelding could not be declared a non-runner due to the fact that such application was made after correct weight had been given, it was established on the evidence and after viewing the patrol films that the gates on the barrier occupied by gelding had to been slow to open resulting in the gelding missing the start by one length. Raced wide throughout.
