S. Comments:Stewards considered an application by jockey that his mount had been denied a fair start. On the evidence it was established that the gelding had been fractious prior to the start and got its head down in the barriers. As the start was effected a barrier attendant had hold of the gelding's head and jockey was unbalanced and had hold of the barrier petition with his right hand. The gelding subsequently was unable to jump with the field. Acting under the provisions of AR 134A Stewards declared the gelding a non-runner.

S. Comments:When questioned regarding poor performance of the gelding Jockey could offer no explanation. Jockey explained after being in a favourable position early he placed his mount under pressure from the 600m however it commenced to weaken and failed to respond to his riding thereafter. Upon review of the start it was found the barrier gates sprung back striking the gelding however was not hampered as a consequence. Trainer advised Stewards the gelding had been treated for a cough in the week prior. A postrace veterinary exam revealed no abnormalities and the gelding's respiratory sounds were clear.

Trainer advised Stewards that following the gelding's disappointing finishing effort today it would be immediately spelled. Trainer also advised that in the week preceding the gelding underwent blood tests all of which returned results within normal parameters.

Rider stated that it was not his intention to settle as far back, however after travelling a short distance he did not want to be committed to racing on the rail so he attempted to maintain a one off position, however other runners had improved around him he was forced to settle further back and on the rail. He added that we was unable to improve into the race as he would have liked as he was held up behind other runners under pressure. Trainer stated he was surprised to see it settle as far back, however agreed with riders comments.
