S. Comments:J. Byrne reported that although it had been his intention to possibly lead, his mount did not begin as well as anticipated and was quickly crossed in the early stages and then raced very greenly throughout the event, overraced onto heels on a number of occasions and had to be checked from heels near the 800m and again when held up for clear running between the 500m and the 400m. A post-race veterinary examination revealed no significant findings other than it had a poor post-race recovery rate.

Began awkwardly. Commenced to overrace near the 800m and improved into restricted room near the 700m and had to be checked. When asked to comment on the horse's performance, jockey D. Browne indicated that his mount raced greenly and overraced in the middle stages causing it to be checked near the 700m. He was also of the opinion that this had a detrimental effect on the horse's overall performance. A post-race veterinary
