S. Comments:Rider D. Brown reported that at no stage throughout the event did the gelding travel comfortably and he was forced to place pressure on his mount at various times during the early and middle stages to hold its position, however the gelding offered very little when placed under pressure in the home straight and weakened over the final 200m. He was however unable to offer an explanation for the performance. Vetted and found to be lame in the near hind leg.

Apprentice Philips stated she was of the opinion the mare was not appreciating kick-back near the 400m and therefore elected to move wider on the track. Stewards advised in their opinion she had erred in not maintaining her position behind the eventual winner at that point in the race.
