S. Comments:Raced wide throughout.Trainer expressed concerns about manner in which horse was ridden, as his instructions were not to lead, but ultimately had to lead to hold the mare up as it has only short sprint. Rider said mount raced keenly until 800m and near 600m he increased tempo to lead by about 4

lengths, which had not been his intention.

Questioned about her riding tactics App. Vuille stated that she was instructed to ride the mare where she was comfortable, however due to the perceived pace of the race she had anticipated being in a handy position one away from the running rail. App. Vuille acknowledged that the race did not pan out as she had expected and she was obliged to race midfield in a 3 wide position, and she had erred by not allowing her mount to stride forward in the back straight and take a leading position. Stewards agreed with her assessment of the ride and noted her explanation.
