S. Comments:Lost its Off Hind plate in running. When asked to comment on the disappointing performance, jockey A. Butler explained that the gelding raced flat today and may not have appreciated the firm surface. Trainer R. Vale stated the gelding had only previously backed up within a week once in its racing career and had also proved disappointing on that occasion. He advised stewards that it would be his intention to space the gelding's runs in future. Stewards noted the comments. A post-race veterinary examination failed to reveal any significant abnormalities.

S. Comments:The rider reported that his mount usually races up on the speed, however connections decided that, as there was no speed in the race, he should endeavour to lead. When able to do so in the early stages the mare travelled a little keenly and was inclined to go faster so he elected, rather than fight it, to allow it to run along, though he was not concerned with the tempo of the event generally. Jockey Stanley added that he was unaware of the lead his mount had established in the middles stages but did not believe that this was detrimental to the horse's overall performance.
