S. Comments: Obliqued to steady away from heels near the 1800m. Jockey then elected to push forward to take up a position in the lead near the 1500m. When questioned regarding the reason for him shifting off the fence when leading from the 600m, , Jockey explained it was his intention to shift wider approaching and rounding the home turn as it was his view that when the rail was in the true position racing towards the middle of the track is more

advantageous. Stewards noted the explanation. 2-10 TOWN 1400 Good 19/05/2016 CL6-SW (Race 6)

S. Comments: When questioned regarding the performance of the horse, trainer said that he was disappointed with the horse's performance, as it failed to run on as expected. Trainer added that he intends to start the horse at the Emerald meeting next week. Jockey confirmed that the performance was disappointing, however he attributed this to the slow pace in the event. He added that his mount was inclined to lay out over the concluding stages and said that over a shorter distance with more pace early he would expect an improved performance.

S. Comments: When questioned regarding the gelding leading, Jockey explained that he had been instructed to race in a midfield position, however after beginning fairly, and when runners to his inside did not show the expected speed, rather than be caught wide he elected to ride forward and assume the lead, where the gelding travelled comfortably throughout. Stable representative confirmed the instructions issued and added that the gelding has led in previous starts.

S. Comments:Stewards afforded Apprentice the opportunity to comment on the seemingly disappointing performance of the mare. He stated that his instuctions were to lead in today's event however he was challenged for the lead by another runner and as a result he was unable to obtain the lead on his own. He added that he was of the view that this had a detrimental effect on the mare's performance. A post-race veterinary examination revealed that the mare was displaying a slow recovery rate.

S. Comments:Contacted by another runner at the start. When questioned regarding tactics trainer J. Rundle explained that the instructions given today were the same as at its most recent starts, that is to place the horse under pressure for first 200 metres, attempt to go forward and obtain cover. App.N. Summers confirmed her instructions; however in an attempt to comply, her mount commenced to over-race and refused to settle. She added that she was mindful that when restrained, the horse raced ungenerously and she had not anticipated leading by the margin in which she did.
