He stated that he then elected to improve around the field from the 500 metres, however, in his opinion the filly responded only fairly in the home straight.

He stated that he had concerns with the way in which the gelding was travelling near the 1300m and from the 600m he elected to follow TORBAY through rather than shift around LEGSMAN and race wide. He added that WALHAAN did not stretch out in the straight and on pulling up he felt there was something amiss with the gelding. A post-race veterinary examination revealed the gelding to be short-striding in both forelegs. A swab sample was taken.

He added the gelding travelled well in the run but failed to run on when placed under pressure. CAMPANOLOGY subsequently weakened in the straight finishing well back. Stewards advised App. Morton that she may have been better served by riding the horse for luck by staying on or near the rails after getting back early in the run.
