When asked about his action between the 650 metres and the home turn where there appeared ample opportunity to improve into the race, Apprentice L.

Attard added that he elected not to pressure the gelding rounding the home turn due to its history of hanging out. Apprentice Attard added that when

 S. Comments:Stewards questioned jockey A. Spinks regarding the tactics he adopted on his mount in sitting outside the lead in today's event which was in contrast to the horse's established racing pattern. He indicated that the horse was inclined to overrace in the early stages and as there was a distinct lack of pace in the race he was unable to fulfil his instructions which was to ride the horse in the second half of the field. Jockey Spinks therefore elected to allow his mount to stride forward to secure a position closer to the fence.

S. Comments:Lost its Off Hind plate in running. When asked to comment on the disappointing performance, jockey A. Butler explained that the gelding raced flat today and may not have appreciated the firm surface. Trainer R. Vale stated the gelding had only previously backed up within a week once in its racing career and had also proved disappointing on that occasion. He advised stewards that it would be his intention to space the gelding's runs in future. Stewards noted the comments. A post-race veterinary examination failed to reveal any significant abnormalities.

S. Comments:When questioned regarding the horse's performance, jockey stated that his mount had begun well, however was not able to take up a forward position and given the horse was back in distance, he was of the opinion that it failed to travel well throughout, however from the 500m was able to make up ground. Trainer advised that he was satisfied with the performance, given the drop back in distance to the 1050m today and the outside barrier. A post-race veterinary examination revealed no abnormalities.
