S. Comments:Trainer questioned re the riding instructions. His instructions were to settle back early and then find the line. Jockey told stewards that he settled back in the field and however was positioned wider than he wished. He added he held up behind another runner when starting his run. He added that on straightening he gave the horse several hits with the whip and got into second place however at 100m he felt OGGIES run had ended. He then felt that he could not catch the leader and was holding down 2nd place easily so he did not continue riding the horse with the whip to the line.

S. Comments:Raced three wide for the majority of the event and tired in the run to the finish. Apprentice J Guthmann-Chester was questioned regarding tactics. He stated that he was told to push forward to obtain the lead or a position outside the leader and to not restrain the gelding. Stewards believe when racing wide he may have erred in his decision to stay wide when it would have been better to obtain a position one off the fence behind the two leaders.App J Guthmann-Chester agreed with Stewards that in hindsight it would have been a better option to give the horse a chance of finishing the race off.
