Webster noted that it was the horse's first start for his stable and was racing in blinkers for the first time. He added that the gelding had been working well in the lead up to the event and he was confident in a competitive showing however was surprised the horse won by such a margin in today's event.

He added that on straightening he gave the horse several hits with the whip and got into second place however at 100m he felt OGGIES run had ended.
