S. Comments:Jumped away awkwardly. Rider L. Tarrant was asked to comment on the disappointing performance of the filly. He indicated that after travelling well in the lead he felt the horse was a winning chance entering the home straight, however when asked for an effort the filly commenced to lay in and weakened badly over the final 300m. A post race veterinary examination revealed a poor post race recovery with mild heat stress. A swab sample was taken from the horse.

S. Comments:Questioned re: tactics, rider - instructed to obtain cover in early and middle stages as performed best when ridden that way. Therefore eased near 1000m to obtain cover behind runner outside of him. The horse then did not improve as expected and he had to shift 3 wide leaving the 600m to improve into the race. Gelding sprinted well but was unable to run down the leader which had established a commanding lead. Trainer confirmed instructions, gelding had been disappointing when ridden in a forward position and will be ridden with cover in the future.

S. Comments:When questioned as to the seemingly improved performance of the gelding, Trainer M Wilson stated that he had not been disappointed in its last start where from a wide barrier it was forced to race further back than anticipated and ran on well. Mr Wilson added that he was critical of the Jockey's ride at its previous start at Doomben, however, he did concede that METEOROLOGIST did not race well at Doomben. Mr Wilson also noted that the gelding had always performed best over today's distance of 1800m at the Gold Coast where it is trained. His explanation was noted.

S. Comments:Questioned as to improved performance - trainer stated gelding after drawing wide barriers at its last 2 starts had been pressured early to take up a forward position resulting in it overracing and weakening on both occasions. Today gelding was able to settle comfortably in a mid field position which enabled it to finish the race off better than it had at its previous starts.

S. Comments:Rider J. Byrne explained that the tempo mid-race was only moderate and as he has done previously he elected to allow the horse to stride forward from the 700m as the horse is not one that is able to sprint when the pace quickens. He said despite this TARTAN WARRIOR did not respond and was a beaten horse prior to the home turn and in his opinion was most disappointing. He added that there appeared to be no obvious issues with TARTAN WARRIOR other than in his opinion it raced like a tired horse and he had recommended to connections that the horse should be spelled. He was of the view he was forced to cover too much ground rounding the home turn and that his mount finished the race off fairly over the concluding stages. He was of the view that the gelding would appreciate a step up in distance at its next start.
