He was satisfied with the pace set in the middle stages, however from leaving the 500m he was of the view that the mare commenced to weaken and was very disappointing in the run to the line. He could offer no explanation for this. Subsequent to this event Trainer S. Kendrick reported Emerge had been given 10 day break and has been satisfied with the horses work since returning.

Questioned re tactics - rider stated instructed to settle at rear of field. Began awkwardly and then commenced to overrace near the 1700m resulting in him being placed wider on the track. From that point he was unable to restrain the gelding which resulted in it leading by a considerable distance, despite his continued efforts to restrain it. Felt this had a detrimental effect on gelding's ability to finish off the race. Stewards advised Apprentice that he should have made a greater effort to maintain his position at the rear of the field near the 1700m. He added that the filly then refused to settle despite his efforts which resulted in his mount failing to finish the race off as expected. A post race veterinary examination revealed the horse to be suffering from heat stress and had a poor post-race recovery.

A post race veterinary examination revealed a slow recovery rate.
