S. Comments:Rider reported at scale that the horse enjoyed a nice run throughout the event just behind the speed, however when placed under pressure from the 600m the mare failed to respond to his riding and proved disappointing. He added that in his opinion the mare may not have been suited by the quick back-up following last week's event.			<b>In Running: /4/4</b>

Mr Guy added that the gelding's best performances have been over today's distance of 1400m and due to the cancellation of recent meetings due to weather conditions had been unable to place the gelding in 1400m races. S. Comments:Questioned re: performance - Rider stated gelding settled in rearward position but became concerned in early stages horse wasn't travelling comfortably. From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. Post race vet - no abnormalities.

S. Comments:Questioned re performance - rider intention to settle towards rear. Tried to position mare off the fence in early stages in better going but was unable to do so due to another runner being position to her outside. Failed to improve into the race from the 600m and was most disappointing. Trainer stated mare had trialled 3 times leading into race, which in his opinion were only fair. Had been hopeful of a good performance based on form but not overly confident based on work and trials. Provided mare pulled up well would look to step it up in distance. Post race vet - no abnormalities.

S. Comments:Inquiry re poor performance. Rider said the horse travelled comfortably throughout, but once placed under pressure leaving the 500m failed to run on as expected and proved disappointing. Trainer A. Williamson said he felt class rise and allotted weight in today's event were telling factors, and further that it may not have appreciated not being able to lead dictate on its own terms. The explanation was noted. Vetted with no abnormalities reported.
