S. Comments:Became unbalanced and lost ground when tightened near 600m.Steaded when tightened near the 250m when tiring.D. Browne reported, the performance was disappointing.After being ridden aggressively early to take up a forward position, that after receiving interference near the 600m his mount did not respond to his riding in the home straight and weakened. He felt, the horse may have come to the end of its preparation, and also having stepped back in distance today, this may have affected the horse's performance. Trainer S. He felt that following this the horse did not respond to his riding and despite being marginally held up leaving the 400m, did not finish the race off well. From the 900m horse was inclined to lay in and despite his efforts would not respond. He added that despite his efforts the gelding failed to respond to his riding in the straight and was most disappointing. Trainer indicated horse had previously performed poorly at Doomben and may be better suited on bigger tracks. Post race vet - no abnormalities.
