S. Comments:Slow to begin. Stewards raised concerns with apprentice M. Cox in that near the 900m and again near the 800m she attempted to improve into a position where there was doubtful room, resulting in her horse becoming unbalanced and also resulting in another runner being forced wider. Ms Cox indicated that she felt there was opportunity to improve her position on both occasions. After viewing the video footage, stewards advised Ms Cox that in similar circumstances she should show greater care.

S. Comments: Stewards asked rider P. Hamilton to comment on the performance of the horse. He stated he did not want to pressure the horse in the early stages because at its most recent jumpout the horse had a tendency to overrace up on to heels in the early stages and therefore he did not wish to be overly vigorous out of the barriers. Jockey P. Hamilton was reprimanded for using his whip more than 5 times prior to the 100m in a forehand manner.

He added that his intention was to obtain a position with cover today, however after beginning well from a wide barrier he allowed his mount to stride forward and obtain a position closer to the fence, which resulted in him leading today.

S. Comments:Rider questioned re tactics, which resulted in a fast tempo being set in early and middle stages - rider stated in he allowed another runner to cross forward of him early, However, another runner racing inside of him over-raced which prevented him from finding cover and was caught 3 wide early. Was of the view the runner forward of him would cross to the fence so pushed forward to sit outside it but it was unable to do so which resulted in him racing 3 wide in middle stages. Was uanble to restrain, despite his efforts, to obtain cover during middle stages. refer full report.

Munce stated that he had wanted to position his mount closer to the lead, however it could not muster early speed from the wide alley and he felt that this was as a result of coming back from 1400m last start. He added that the horse was under pressure rounding the home turn and was disappointing. The expressed his disappointment and added that he sould step the horse up in distance, and undertook to advise stewards should anything come to light in coming days which may have had an effect on the performance.
