When pulling hard approaching the first turn shifted out away from heels, forcing another runner wider. Stewards asked Jim Byrne to comment on the disappointing performance of the horse. He indicated that when overracing in the early stages his mount also made heavy contact with another runner near the 800m and continued to overrace in the middle stages. He felt that this had a detrimental effect on the overall performance and could offer no further explanation.

He felt that following this the horse did not respond to his riding and despite being marginally held up leaving the 400m, did not finish the race off well.
