Was of the view that she was going to cross runners to her inside easily near the 900m but one commenced to overrace so she had to press forward in order to obtain a position closer to the fence. Was of the view that this resulted in the colt weakening over the final 200m.

S. Comments:Inquiry re performance. Rider stated the gelding was slowly away and then settled further back in the field than he would have liked. He said the horse ran on well despite being impeded momentarily for a run in the home straight, and felt it would be better suited to races over longer distances as the horse ran on well over the concluding stages.

Munce stated that he had wanted to position his mount closer to the lead, however it could not muster early speed from the wide alley and he felt that this was as a result of coming back from 1400m last start. He added that the horse was under pressure rounding the home turn and was disappointing. S. Comments:Slow to begin. Trainer B. Gill was questioned regarding the improved performance of the horse. He indicated it appreciated the step up in distance to 1600m of today's event, and at the horse's most recent start had been forced to race wide and had hung out after the 600m when improving into the event. He indicated that for this reason he had engaged a left-handed whip rider and was of the view that this had a beneficial effect on the performance.
