Reported that gelding pulled up well after the race and blood tests had failed to reveal any abnormalities. Would step gelding up in distance next start. Warning placed on uncompetitive performance.

S. Comments:Hung in under pressure in the straight. When questioned regarding the riding tactics adopted in the early stages, rider reported that he had no specific instructions and as the horse did not begin well, he restrained to the rear of the field in an attempt to obtain cover. He said the horse initially shifted out in the early part of the straight, which resulted in him changing his whip to his left hand, and soon afterwards the horse shifted in when placed under pressure so over the concluding stages he elected to ride the horse in a hands and heels manner. Stewards noted his explanation.

S. Comments:Bumped heavily by another runner in the early stages of the event on a number of occasions. Stewards questioned apprentice B. Stower in relation to the seemingly disappointing performance of EXTRA SHOT. Apprentice Stower advised that the gelding failed to muster its customary early pace and as a result she was required to ride the horse along in the early stages to obtain a forward position. She added that when placed under pressure in the home straight the gelding failed to respond to her riding and proved disappointing.

When asked to comment on the performance of NAVELINA, App. T Wolfram stated that the filly travelled well in the early and middle stages of the event but failed to quicken as expected when placed under pressure leaving the 500m. App. Wolfram noted that NAVELINA was having its first start in 6 weeks and in his opinion is better suited over further distances than that of today's event. A post-race sample was taken. He was of the view that it did not run out a strong 2100m. Trainer said that after consulting with connections it was his intention to send it for a spell. Vetted, lame near foreleg.
