S. Comments:Rider questioned re riding in home straight stated he had difficulty obtaining clear running during early stages home straight. However, when afforded clear running passing 200m the mare failed to quicken and in his opinion was immediately under pressure. Jockey added for this reason he elected not to ride the mare out with usual vigour over final 100m. Stewards noted explanation and reminded jockey to ride mounts out to end of race. Trainer noted mare showing signs of coming into season prior to race, which may have had bearing on horse's performance.

S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.

S. Comments:Stewards questioned rider regarding tactics. He indicated he had been given no specific instructions, however rode vigorously out of the barriers in order to cross OUR ROCKY. He then felt that when the favourite improved to the outside he would be better served holding the position to the inside. P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily. He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat.

He stated that the horse was slow to begin at its most recent start, adding that if the race had been longer the horse would have fought out the finish. He indicated that the gelding has been a late maturer and was suited to today's step up in distance to 1600m. He added that at its first start from a spell over 1000m the horse was not suited to that distance and did not race well on the rain affected track conditions.

S. Comments:Questioned re: tactics last 500m - Leaving 500m attempted to shift out to improve but unable to when another runner positioned outside him.

Attempted to follow eventual winner upon straightening but it failed to quicken early in home straight so elected to shift out to obtain run but was dissapointed for that run when runners forward of him shifted ground. Then held up and had to shift out again to secure clear runing over final 100m at which point filly finished the race off well.
