S. Comments:Began awkwardly and shifted in. Near the 1000m shifted in and bumped another runner. When caught wide during the early stages, ridden forward to obtain the lead. Questioned re performance - rider stated intention to obtain handy position with cover. From wide barrier obliged to race wide early so elected to press forward to the lead. Once in leade filly refused to settle due to horse outside of it racing fiercely. Felt these factors contributed to filly failing to finish off race as expected. Noted filly would derive a fitness benefit from today's run.

Rider said that at its most recent start the gelding had shown a tendency to overrace, however in today's event he was obliged to pressure the horse to hold its position. He added that rounding the turn the horse laid in and continued to do so until approaching the 300m. Apprentice Tarrant indicated that it had not been his pre-race intentions, however after settling, his mount commenced to overrace when the pace slackened at that point and after shifting wider to avoid heels, he was of the view that it would be in his best interests to position the horse closer to the lead.

S. Comments:B Stewart reported, in his opinion, the horse was not entirely comfortable in the soft track conditions and he felt that as this was the horse's first start from a spell it would take benefit from the run. Trainer D. Meagher reported that in hindsight he may have erred in removing the blinkers from the horse's gear. He felt that the horse would be more suited to being stepped up over longer distances where the horse would be able to secure a position closer to the lead, and agreed with jockey Stewart's comments that the gelding was not entirely comfortable in today's soft track conditions.
