He indicated he had been given no specific instructions, however rode vigorously out of the barriers in order to cross OUR ROCKY. He then felt that when the favourite improved to the outside he would be better served holding the position to the inside.P Duff confirmed indicated he was disappointed with the horse and would now step the horse up over 1400m where the gelding may be able to obtain a forward position more easily.He added that KING OF THE CASTLE had trialled during the week and, in hindsight, this may have left the horse a little flat. | Jeff Lloyd       | (2) 57.5         | \$16,000 \$12 \$15<br><b>In Running: /1/2</b>      |

| S. Comments:Inq re tactics, in particular why he rode forward when the horse has not been ridden in a forward position in its recent starts, and also remaining away from the fence where it appeared he had opportunity to cross to the fence after passing the 850m. Rider said he thought the track closest to the fence was more rain-affected so he wanted to race away from the fence and shift wider entering the home straight. He said the tactics today were the same instructions given at the last three starts, but after not beginning well was positioned further back in the field. Stewards noted the explanation. |                       |                 |                         |                         |

| S. Comments:Bumped on jumping away. Inquiry re tactics adopted in leading today, which was in contrast to its established racing pattern. Miss Harrison indicated that as horse previously had a tendency to begin poorly, pre-race discussions were had with trainer W. Hulbert and formed the view the horse would be positioned in the second half of the field with cover. However, when it began well she elected to push forward being aware that there was limited speed in the race. Trainer W. Hulbert confirmed they had not expected the horse to lead. |                     |                   |                                         |  |

| S. Comments:Bumped on jumping away. When questioned as to the performance, Jockey S Galloway stated that despite travelling well in the early and middle stages, the gelding was under pressure leaving the 600m and finished off the race fairly. Jockey Galloway was of the view that with today's top weight of 59kgs, the gelding failed to handle the short back-up from its last start one week ago. |                   |              |                                     |

| S. Comments:Forced wider for a short distance in the early stages, and then overraced until approaching the 1000m. Held up rounding the home turn and until the home straight, and near the 300m the rider attempted to force another runner wider to obtain clear running and made contact with that runner on a number of occasions and became unbalanced. Then continued to be held up for clear running until approaching the 100m. |                   |        |     |             |        |        |        |

| S. Comments:Questioned re: tactics last 500m - Leaving 500m attempted to shift out to improve but unable to when another runner positioned outside him. Attempted to follow eventual winner upon straightening but it failed to quicken early in home straigh so elected to shift out to obtain run but was dissappointed for that run when runners forward of him shifted ground. Then held up and had to shift out again to secure clear runing over final 100m at which point filly finished the race off well. |                   |                    |                                        |
