S. Comments:Rider D. Griffin reported that the horse tired over the concluding stages, which may have been as a result of it getting its tongue over the bit. Stewards ordered that a veterinary examination be conducted on the colt, however this was unable to be carried out as the horse had left the course.

Trainer J. McLachlan was reminded of his obligations to ensure that his runners remain on course for the prescribed period following an event. Mr McLachlan indicated that he may experiment with the addition of a tongue tie to the horse's gear at its next start.

Lavin for the horse to race without its advertised gear - being a tongue-tie first time, winkers first time - following advice from Mrs Lavin that she had not effected this gear change. After further investigations it was established that a gear change had not been effected correctly and therefore Miss Lavin was fined the sum of \$200. Tightened for room at the start and lost ground. Hung in under pressure over the final 200m. Rider questioned re: if he was able to take run between other runners near 350m. See full report.

S. Comments:Stewards afforded J. Missen the opportunity to comment on the performance. He stated that after having a comfortable run throughout and travelling strong up to a point near the 600m, the gelding failed to respond to his riding and proved disappointing in its finishing effort. Trainer S. Barling advised that he was expecting a forward showing today, although he was not surprised given the gelding's inconsistent form, however he was still disappointed with the gelding's performance. A post-race veterinary examination revealed no abnormalities.

Noted mare resented being ridden aggressively and as such was reluctant to place it under undue pressure in early stages. Passing 800m became concerned with amount of ground lost on remainder of field and commenced to ride mare along, at which point it improved into race and then finished the race off well.
